Toddlers

We are looking at the story "Were going on a bear hunt"  
We will be reenacting the story, looking at the weather and  
using our feet to squish through the mud, water and grass  
etc.

We are still looking at making drawing pots for each child  
and we require pringles pots to do so; please bring in if you  
have some at home.

Many Thanks

## Pre-school

We are going to be carrying out lots of science experiments. If you have any child friendly science experiment ideas please let us know; we would love your help and input.

As the weather is getting warmer and spring is on the way we are developing our garden. We have made a fairy land and a dinosaur land in large barrels for the children to play with; please come and have a look.

We have started planting some vegetables in our garden patch. We have planted peas, courgettes, onions, radishes, lettuces, strawberries and raspberries. The children will be watering them every day and learning how plants grow and be able to try the finished product later in the year hopefully!

Toothbrushes are in need of replacing please bring in new ones and hand to a member of staff so they can be labelled

We still have lots of baby stick insects, so if you would like any please ask a member of staff.

## Hairdresser

Knowing what busy parents we all are, sometimes it's difficult to fit everything in.

Jo Watson is a qualified hairdresser and we are looking at providing this service every 6 weeks depending on how much interest we get.

If this is a service you would be interested in us providing please let a member of staff know so we can provide a date

Please help us collect Sainsbury's vouchers; the collection box in reception
