- Testing our taste buds with different fruit and veg
- Looking at healthy and unhealthy foods

HAPPY BIRTHDAY to Logan,

PRESCHOOL

This month in preschool our theme is "enchanted forest" if you have a moment when you collect your child please come and have a look in our role play room which Zoe created with the children.

Some activities that the children did to create this were making toadstools, flowers and leaves.

The children have enjoyed coming into preschool every morning and looking to see where the fairies have moved the fairy door.

Some other activities that we also have planned are:

- Making fairy soup.
- Making a fairy tepee using sticks and branch in our explorer's garden.
- Elves and the shoemaker shoes - drawing around our feet, and making hole punches so we can thread string and practice tying laces.
- A sensory cutting tray with leaves and resources found in our explorer's garden.
